## SZYMON PIECHACZEK

Junior software developer

Phone: +48 517 761 270

E-mail: [szymonpiechaczek@gmail.com](mailto:szymonpiechaczek@gmail.com)

30-072 Krakow

2015/10 - present

### Education

AGH University of Science and Technology in Cracow

Faculty of Electrical, Control, Computer and Biomedical Engineering.

Field of Study: Information Technology

### Skills

Programming in Java (OOP, TDD, eclipse), C# (with Unity, Visual Studio), C/C++. Moreover, I know basics of Matlab and Pascal.

I know basics of web development, including: HTML, CSS, JS, PHP, Bootstrap, WordPress.

I can do simple things in Adobe Photoshop.

Usually I use the Mac OS so I know how to use Linux (and Windows) systems.

I am able to work in Scrum methodology.

### Languages

Polish - native

English - B2. I graduated bilingual class.

### Interests

Music - I have played percussion from over 7 years.

Games - either video or board games. I like play chess too.

I can solve Rubik's Cube in 1 minute.

2012/05 - 2015/01

### Additional activities

The Association of Polish Scouts
