
SZYMON PIECHACZEK

Junior software developer

Phone: +48 517 761 270

E-mail: szymonpiechaczek@gmail.com

30-072 Cracow

2015/10 - present

Education

AGH University of Science and Technology in Cracow

Faculty of Electrical, Control, Computer and Biomedical Engineering.

Field of Study: Information Technology

Skills

Programming in Java (OOP, TDD, eclipse), C# (with Unity, Visual Studio), C/C++. Moreover, I know basics of Matlab and Pascal.

I know basics of web development, including: HTML, CSS, JS, PHP, Bootstrap, WordPress.

I can do simple operations in Adobe Photoshop.

Usually I use the Mac OS so I know how to use Linux (and also Windows) systems.

I can work in Scrum methodology.

Languages

Polish - native

English - B2. I graduated bilingual class.

Interests

Music - I have played percussion for over 7 years.

Games - both video and board games. I like play chess too.

I can solve Rubik's Cube in 1 minute.

2012/05 - 2015/01

Additional activities

The Association of Polish Scouts
